R1	That we should only eat foods grown in Australia	That we regret the growing prevalence of working from home	That the senate should be selected by random lottery	That we should never pay cyber-ransoms	That "R U OK?" Day has done more harm than good	That as an individual seeking to make a positive impact on the world, we would do so through disruption (e.g., activism and systemic change) as opposed to working within the system (e.g., becoming rich to donate money to charity)
