Please provide a brief summary of the specific rule breach or debating concept that has occurred in the debate:

How did the adjudicator's decision fail to consider the above rule or concept?

Please note that an appeal is only awarded if the QDU Executive can reasonably see that an adjudicator has failed to follow debating concepts or rules. There must be a manifestly inappropriate error in the adjudicator's reasoning. Appeals will not be awarded based on the opinion of the merit of arguments or performance in a debate. Manner is not a definitive deciding reason within a debate and appeals will not be awarded based on the claim that a team had better manner.

Appeals can only be submitted by the school debating coordinator. Appeals submitted by any other party will not be considered. Appeals must be submitted within 7 days following the debate. Please complete this form and send to the QDU Program Manager at admin@qdu.org.au.
